Project name: LEARNING TOGETHER

Presentation: This is a proposal for a learning and sharing teaching experiences . This project wants to involve universitarian students and english teachers here in Italy. The school wants to share the Pizzigoni Method, (a very well known didactic method based on music and gardening) meanwhile the Universitarian students will support our english teachers in their job in the classroom..

Finality:

Sharing the Pizzigoni method
Support english teachers
Hosting english students
Offer english lessons to the students till early ages
Select new teaching method
Innovate didactic in Italy and in Uk as well

Actions:

Selection of ten students (action made by the University of Derby)
Hosting of the students from Derby University in italian families, in Milan (action made by the IC Rinnovata Pizzigoni)
Costs for travel from UK to Italy and return (action made by the Rinnovata Pizzigoni)
Each student will be committet to an english teacher of IC Rinnovata Pizzigoni

The legal rapresentant of the IC Rinnovata Pizzigoni, prof. ssa Giovanna Mezzatesta, DS of the institute guarantees that everything sovrascrived corresponds to truth and rapresents an obligation between the parts that share the project.
